

# **SOME BASIC ASSUMPTIONS**

## **CONSCIOUSNESS AS GROUND OF EXISTENCE**

CONSCIOUSNESS IS ALL PERVASIVE AND IS THE PRIMARY GROUND IN WHICH ALL DOMAINS, REALMS, AND DIMENSIONS OCCUR.

## **TRANSPERSONAL VIEW OF CONSCIOUSNESS**

THE TRANSPERSONAL VIEW OF CONSCIOUSNESS SUGGESTS THAT THERE ARE NONPHYSICAL REALMS IN WHICH WE EXIST, AS MUCH AS OR MORE THAN IN THE REALM OF THE SENSES AND PHYSICAL WORLD.

## **TRANSMISSIVE THEORY OF CONSCIOUSNESS**

TRANSMISSION THEORY HOLDS THAT CONSCIOUSNESS OPERATES THROUGH THE BRAIN RATHER THAN THE BRAIN PRODUCING CONSCIOUSNESS.

## **CONSCIOUSNESS OF CONSCIOUSNESS**

CONSCIOUSNESS CANNOT BE PERCEIVED OR ADEQUATELY CONCEIVED, IT CAN ONLY BE KNOWN THROUGH DIRECT INTUITION.

## **SYSTEMS APPROACH TO CONSCIOUSNESS**

WHILE THE COMPONENTS OF CONSCIOUSNESS CAN BE STUDIED IN ISOLATION, THEY EXIST AS PARTS OF A COMPLEX SYSTEM, AND CAN BE FULLY UNDERSTOOD ONLY WHEN SITUATED IN THE CONTEXT OF THE WHOLE SYSTEM.

## **THE INTEGRAL VISION**

THE INTEGRAL VISION SUGGESTS THAT THE VARIOUS SPIRITUAL, PHILOSOPHICAL, PSYCHOLOGICAL, CULTURAL, ETC. VIEWPOINTS, THROUGHOUT ALL CULTURES AND ALL TIME PERIODS, HAVE VALIDITY WITHIN PARTICULAR CONTEXTUAL FRAMEWORKS, AND ARE PARTS OF A LARGER WHOLE THAT OPERATES AS AN INFINITELY COMPLEX SYSTEM.

## **ENERGY INTERACTION MODEL OF REALITY**

THE ENERGY INTERACTION MODEL SUGGESTS THAT ALL OCCURANCES ARE INTERACTIONS BETWEEN VARIOUS ENERGY SYSTEMS, THE INTERACTIONS CAUSING CHANGES IN THE STRUCTURE AND FUNCTION OF THE ENERGY SYSTEMS.

## **THE LAW OF VIBRATION**

EVERYTHING IN THE MANIFEST UNIVERSE IS ULTIMATELY COMPOSED OF PACKETS OF ENERGY; QUANTIZED UNITS VIBRATING AT SPECIFIC FREQUENCIES.

**THE LAW OF RESONANCE**

VIBRATION WILL BE AMPLIFIED TREMENDOUSLY WHEN STIMULATED BY A SIMILAR OR COMPATIBLE RESONANT FREQUENCY.
